The Gateway Rotary Tour de Lacey Fun Ride raises funds for the Boys and Gils Club of Thurston County

Why We Ride:

- [Boys & Girls Club is a guidance based program disguised as a recreation program.](#)
- [67% of club alumni said the Club saved their life.](#)
- [Thurston County Boys & Girls Club serves over 2700 kids.](#)
- [A year membership is only \\$25. Why only \\$25? Because they want the Clubs to be accessible to those kids and families that need them the most.](#)
- [The true cost per member is approximately \\$750.](#)
- [97% of club members are on track to graduate on time.](#)

We need your assistance to make this event a success!
